Thanks of course to Gold Country DGC aka SkyCatz, Auburn DGC aka Chain Zombies, Players Pizza for hosting our awards ceremony, Robert Bare for the always cool trophies.

- Side note- first round record set by Open players James Proctor and his partner, -25. 23 birdies and an Ace!. Madruga and Shotwell tied them in GV. But PV was the “equalizer” and Proctor/Peterson pulled out ahead to finish first. Advanced Play was equally as close. Most likely the heat, the sheer number of holes played (and possibly the amount of beer consumed by then) was a factor for many teams in the final round. Good time had by all though.
